

## F133A rabbit pAb antibody

| Catalog No : | Source: | Concentration : | Mol.Wt. (Da): |
|--------------|---------|-----------------|---------------|
| A14314       | Rabbit  | 1 mg/ml         | 27280         |

|                              |                                                                                                           |
|------------------------------|-----------------------------------------------------------------------------------------------------------|
| <b>Applications</b>          | WB                                                                                                        |
| <b>Reactivity</b>            | Human                                                                                                     |
| <b>Dilution</b>              | WB 1: 500-2000                                                                                            |
| <b>Storage</b>               | -20°C/1 year                                                                                              |
| <b>Specificity</b>           | This antibody detects endogenous levels of F133A at Human                                                 |
| <b>Source / Purification</b> | The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen. |
| <b>Immunogen</b>             | Synthesized peptide derived from human F133A                                                              |
| <b>Uniprot No</b>            | Q8N9E0                                                                                                    |
| <b>Alternative names</b>     |                                                                                                           |
| <b>Form</b>                  | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                   |
| <b>Clonality</b>             | Polyclonal                                                                                                |
| <b>Isotype</b>               | IgG                                                                                                       |
| <b>Conjugation</b>           |                                                                                                           |
| <b>Background</b>            |                                                                                                           |
| <b>Other</b>                 | FAM133A, F133A                                                                                            |
